DOG POOP CLEAN-UP CAMPAIGN

Highland Park Friends In Dog Ownership (FIDO) is a group of concerned residents formed under our Neighborhood Association Beautification Committee. We are initiating a neighborhood-wide campaign to clean up the dog poop from our green spaces (sidewalks and parks). It is an increasing environmental concern affecting our health, our dogs' health and our overall quality of life.

Activities include:

- Clean-up along Highland Avenue **(May 15)***
- *Do Dah Day* - raising awareness **(May 17)***
- Refurbishing doggie waste clean-up stations in our 3 parks
- **"Bag It and Trash It!"** campaign – individual responsibility!
- City ordinance signs – it's the law!
- Facebook page - ongoing awareness!

We are very lucky to have such a beautiful, walkable, green place to live! Let's take better care of it!
